

Alternative for standard locking system for Thalassa PLD

20/08/2015

Christophe BIASCH

- For the installation of an alternative to the standard DIN barrel on handle from PLD enclosures by a DIN barrel with another number of key.
- Example of DIN barrel usable on handle from PLD enclosures
 - DIN barrel made by JMP Diffusion type 1327/999
 - DIN barrel made by EMKA type 1109-U1-N

- Dimensions of DIN barrel usable on PLD enclosures
