

How to create a new project and Switchboard in Ecostruxure Power Build?

1. If you have access rights to Okken only

The screenshot shows the Ecostruxure Power Build interface. On the left is a 3D model of a switchboard. The main area displays a table of projects with columns for 'Projects (44)', 'Add project', 'Date', 'Creator', and 'Creation date'. A dropdown menu is open under the 'Add project' button, showing options: 'Add project', 'Import project from sharecode', 'Vijayendra', 'Sonatrach Tinrhert Gas Field Development [MAN..', and 'Project in Italy'. Yellow arrows point to the dropdown menu and the 'Add project' option. A purple text box says 'Click on Drop-down menu' and another says 'Click on 'Add Project''.

Projects (44)	Add project	Date	Creator	Creation date
<input checked="" type="checkbox"/>	Add project	Vijayendra V G	Vijayendra V G	22 Apr 2020
<input checked="" type="checkbox"/>	Import project from sharecode	a V G	Laurent Tercinet	16 Apr 2020

<input checked="" type="checkbox"/>	Project in Italy	Philippe Tschirret	Philippe Tschirret	04 Feb 2020

The screenshot shows the 'Create new project' dialog box. It has fields for 'Project name *', 'Customer name', 'Range *', and 'Drawer offer *'. The 'Project name' field is highlighted with a red box and a purple text box says 'Enter Project Name'. The 'Drawer offer' dropdown menu is open, showing options: 'Only 70-M', 'Only 70-2', and 'Only 70-M'. A purple text box says 'Select Drawer Offer (1)'. The dialog box has 'Cancel' and 'Validate' buttons.

(1) Note: Drawer Offer changes based on the license type. It could be 70-2 or 70-M or 70-2 and 70-M
