

## What are the quantities of IP20 Lug cover to be ordered for TeSys Giga star-delta, reverser, and changeover connection kits?

### IP20 Lug covers for connection kits

Customers can use lug cover references LA9G3707 (6 pieces/ reference) or LA9G4707 (8 pieces/ reference) to improve insulation of the coupling bars when they build the star/delta, reverser, and changeover association.

#### IP20 Lug cover for connection kits

Description	Suitable for	Compatible with contactors	Quantity Set of	Reference
IP 20 Lug cover	3P	LC1G115...LC1G800 <sup>(4)</sup>	6	LA9G3707
	4P	LC1G115...LC1G800 <sup>(4)</sup>	8	LA9G4707

Below in blue are the quantities of the IP20 lug cover which needs to be ordered for different associations.

#### For star delta association:

Star-Delta (Wye-Delta) connection kits <sup>(5)</sup>					
Description	Suitable for	for Line (KM2) and Delta (KM3) contactor	+ Star contactor (KM1)	Reference	IP20 lug cover LA9G3707
Connection kit: bars for Line-Delta- Star contactor assembly	3P	LC1G115...LC1G225	LC1G115...LC1G225	LA9GQQ330	x 2
		LC1G265...LC1G500	LC1G115...LC1G225	LA9GSQ330	x 2
		LC1G265...LC1G500	LC1G265...LC1G500	LA9GSS330	x 2
		LC1G630...LC1G800	LC1G265...LC1G500	LA9GTS330	x 4
with cable memory kit	3P	LC1G630...LC1G800	LC1G630...LC1G800	LA9GTT330	x 4
		LC1G265...LC1G500	LC1G115...LC1G225	LA9GSQ331	x 2
		LC1G630...LC1G800	LC1G265...LC1G500	LA9GTS331	x 4

#### For reverser association:

Reverser connection kits					
Description	Suitable for	Compatible with contactors	Reference	IP20 lug cover LA9G3707	
Connection kit: bars for reverser contactor assembly	3P	LC1G115...LC1G225	LA9G3760	x 2	
		LC1G265...LC1G500	LA9G3761	x 2	
		LC1G630...LC1G800	LA9G3762	x 4	

#### For changeover association:

Changeover connection kits					
Description	Suitable for	Compatible with contactors	Reference	IP20 lug cover LA9G3707	LA9G4707
Connection kit: bars for changeover contactor assembly	3P	LC1G115...LC1G225	LA9G3750	x 1	
		LC1G265...LC1G500	LA9G3751	x 1	
		LC1G630...LC1G800	LA9G3752	x 2	
	4P	LC1G115...LC1G225	LA9G4750		x 1
		LC1G265...LC1G500	LA9G4751		x 1
		LC1G630...LC1G800	LA9G4752		x 2
