

EAV6437200

Altivar/Altistart Spare Part

DANGER

HAZARD OF ELECTRIC SHOCK, EXPLOSION, ARC FLASH OR UNEXPECTED EQUIPMENT OPERATION

- This component is not intended to be installed by the end customer.
- This component may only be installed by qualified personnel who have been trained by Schneider Electric. These qualified personnel are limited to Schneider Electric Field Service personnel and to partners who have been trained by Schneider Electric to install components in variable speed drives.
- The qualified Schneider Electric personnel and its partners are trained in servicing variable speed drives and know how to recognize and avoid the hazards involved. They are authorized to install this component and to service variable speed drives.
- The end customer or his system integrator is responsible for compliance with all local and national electrical code requirements as well as for all other applicable regulations with respect to grounding of all equipment.

Failure to follow these instructions will result in death or serious injury.
