

How to register MotionPro (VW3M8702xx)

Start Motion Pro which is found in start menu under Schneider Electric > Motion Control > Motion Pro

When Motion Pro launches you should see a splash screen announcing the software is not registered.

If you do not see the registration prompt you will need to open an example program to trigger the registration wizard to launch.

Navigate to “File > New from Template” Templates are found in “Program Files xxx/Schneider Electric/Motion Control/CoDeSys V2.3/Targets/Schneider Electric/Lexium Controller V0107/Examples/Templates”

Open any of the example programs.

The registration prompt should now appear.

Choose register now and then follow the steps as described below.

Choose "Ask for an Authorization Code"

Lexium Motion Control - Registration Wizard

Select Task

Select the task to perform, and then click "Next".
