This is a revision for the letter number 05012023-001 we issued in January 5, 2023. The revision is on the commercial reference replacement of the old product.

Example :

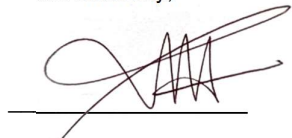

Old Product: A9A26924

Replacement Product: A9A26904 (no change in technical specification)

If the requirement is Auxiliary with <100mA, then the replacement product is A9A26914.

Thank you for your understanding. Should you require further clarification please do not hesitate to contact us.

Yours Sincerely,
