

03rd May 2025

Dear Sir/Madam,

SUBJECT: Spacelogic C-Bus Replacement and End of Commercialisation

We would like to inform you about the Spacelogic C-Bus References that are no longer in production or are about to be discontinued. You will find the latest product list along with their respective replacement in the annex below.

We appreciate your understanding and are happy to assist further if you have any additional requirements or questions regarding product alternatives. Should you require any further information regarding our products, please do not hesitate to contact our dedicated sales team.

Yours Sincerely,

Jasmin Lee
Business Offer Manager (SG & BN),
Wiring Devices, Home and Distribution Division

Annex

CR	Short Description	New Remarks	Replacement
BB5000CTL2	C-BUS BandW T_SCN MK2 C_W LOGIC	No longer in Production	5000ETP10W + Controller
5050CTL2-GB	C-BUS BandW T_SCN MK2 C_W LOGIC	No longer in Production	5000ETP10W + Controller
BS5000CTL2	C-BUS BandW T_SCN MK2 C_W LOGIC	No longer in Production	5000ETP10W + Controller
SC5000CTL2-WE	C-BUS BandW T_SCN MK2 C_W LOGIC	No longer in Production	5000ETP10W + Controller
