

Schneider Automation SINGLE USER Software License

§ 1 General Terms

This License Agreement ("Agreement") is entered into by and between Schneider Automation Inc., ("Licensor") One High Street, North Andover Massachusetts 01845 USA, and the contracting party of the licensor ("Licensee") to this Software License Agreement.

THIS IS A CONTRACT. CAREFULLY READ THIS AGREEMENT BEFORE ACCEPTING TO INSTALL THE SOFTWARE LICENSED UNDER THIS AGREEMENT. IF YOU DO NOT AGREE WITH THESE CONTRACTUAL TERMS THEN CANCEL INSTALLATION AND RETURN THE PRODUCT FOR A REFUND ACCORDING TO THE TERMS OF THIS AGREEMENT UNDER RETURN POLICY.

The parties hereto agree to the following sections:

1.1.1 English is the official language of this Agreement.

1.1.2 This software license agreement is the complete and exclusive statement between the Licensor and the Licensee with respect to the terms contained herein may not be contradicted by evidence of any previous agreement or of a contemporaneous oral agreement.

1.1.3 Licensee accepts this Agreement upon installing the opened Software Product media containing the software program on the Single CPU machine.

1.1.4 The Software Product consists of the computer program, informational content, and any information obtained from the Licensor concerning the software product sold under this Agreement.

1.1.5 The computer program comprises the programs and data stored on the data media enclosed. Informational content means the documents and manuals enclosed or any information obtained from the Licensor on the Software Product.

1.1.6 In communications with the Licensor, the Licensee must have available the Software Product serial number and the Software Product number that the Licensee has on a label on the software media.

1.1.7 No handwritten changes will be accepted.

1.1.8 Licensee is subject to the latest version of this Agreement.

1.1.9 THE ACCEPTANCE OF ANY PURCHASE ORDER PLACED BY YOU IS EXPRESSLY MADE CONDITIONAL ON YOUR ASSENT TO THE TERMS SET FORTH HEREIN, AND NOT THOSE CONTAINED IN YOUR PURCHASE ORDER.

§ 2 License

Licensor grants to Licensee once the invoiced license fee is paid, a non-exclusive license to use the Software Product subject to the following terms, conditions, and restrictions:

2.1.1 Single User license applies when the affixed label on this Agreement or on the software media itself states "Single User License".

2.1.2 Licensee can only use the single-user Software Product on a single CPU machine at a time, for a Maximum Machine Installation of one (1), with no duplication of the Software Product in any manner for multiple use.

2.1.3 The Licensor retains a copyright over the Software Product including any unauthorized copy or derivative work created by Licensee or a third party.

2.1.4 Only the Licensor owns the Intellectual Property Rights to this Software Product.

2.2 A Licensee causes an unauthorized copy when the Licensee transmits, reproduces, makes a derivative, decompiles, revises, updates, enhances, or translates into machine language, or otherwise copies any portion of the Software Product.

2.2.1 Licensee shall not alter, remove, hide, or modify copyright notices, serial numbers or other trademarks serving to identify this Software Product.

2.2.2 Licensee is liable to the Licensor for causing an unauthorized copy of its copy.

2.2.3 The right of the Licensee to use the Software Product shall continue until the Licensee discontinues use, at which time the Licensee shall:

2.2.4 Contact the Licensor within two (2) weeks to Return the Software Product at the Licensee's expense; and

2.2.5 Remove the Software Product from ALL machine(s) on which the Software Product is installed and destroy ALL copies and backups.

§ 3 Rights of Reproduction and Protection of Access

3.1.1 Licensee can make one copy for back-up purposes only.

3.1.2 Licensee shall be obligated to prevent unlawful access to the copy on the single user CPU machine and to the single back up by a third party. This includes documentation, manuals, or any information obtained about the Software Product.

3.2 Licensee shall not make further reproductions, including the output of program codes to a printer as well as making photocopies of the manual.

§ 4 Multiple Utilization and Network application

4.1.1 Licensee may use the software on any hardware at the Licensee's Site provided it is a single CPU machine, but Licensor does not warrant use on any hardware not stated in the Informational Content.

4.2 This license prohibits simultaneous use on more than a single CPU machine of the same copy.

4.2.1 This license prohibits use on a network or any other multi-station computer system that allows simultaneous use of a single copy of software by more than one user at a time.

§ 5 Resale, Sublease and Use

5.1.1 Licensee shall not sell or provide, not even for a limited time period, to a third party any portion of the Software Product.

5.1.2 Licensee shall not lease or rent the Software Product.

5.1.3 Licensee shall not allow use or access to the Software Product in any manner by any person not employed by the Licensee or under the direct supervision of the Licensee.

§ 6 Requirement of Examination and of Complaining

6.1 Licensee shall examine the software media and software documentation within eight (8) business days after Licensor delivery, in particular with a view to the completeness of the data media and documentation, as well as to the operation of basic program functions.

6.1.1 Replacement period starts seven (7) business days after the actual ship date of the software product and ends ninety (90) business days later.

6.1.2 Licensor may invoice any replacement software, at the current list price, if a Licensee fails to return the alleged defective software media or software documentation within thirty (30) business days of the Licensor shipping the replacement product.

6.1.3 Licensor reserves the right to audit a Licensee, using a third-party auditor, for the purpose of discovering illegal copying of the Software Product.

§ 7 Duration of License Agreement

7.1.1 This Agreement shall become effective when the Licensee accepts delivery of the Software Product at the Licensee's place of business, home, or address given to the Licensor's agent for shipment.

7.1.2 This Agreement survives the useful life of the Software Product as the Intellectual Property of the Licensor and its assigns.

7.1.3 Licensee's warranty period begins once the Licensee accepts delivery.

§ 8 Consideration

8.1.1 Licensee's consideration is payment of the license fee upon receipt, as set forth on the Licensor's invoice, and then the Licensee can use the Software Product subject to the terms of this Agreement.

§ 9 Termination of License

9.1 Licensor reserves the right to terminate the Licensee's license with thirty (30) days written notice to Licensee's last known address for the following reasons:

9.1.1 Termination may occur if the Licensee neglects or fails to provide or observe any of its obligations under this Agreement, or

9.1.2 if the Licensee fails to promptly pay the invoice for this Software Product, or

9.1.3 if any assignment shall be made of the Licensee's business for the benefit of its creditors; or

9.1.4 if a receiver, trustee in bankruptcy or if the Licensee is adjudged bankrupt and such condition(s) is not remedied with ten (10) business days after written notice thereof has been given to Licensee, this Agreement shall immediately terminate.

9.1.5 Within two (2) weeks after any such termination, the Licensee shall return the Software Product at the Licensee's expense to the Licensor.

§ 10 Return Policy

10.1 Prior to Licensor issuing a return number the License must have:

10.1.1 signed and returned the User License Agreement to Licensor; and

10.1.2 pre-registered with Licensor having updated address, contact, license type, and Software Product serial number.

10.1.3 Licensee contacts Licensor's Customer Service organization to obtain a Return Material Authorization (RMA) number.

10.2 Licensee returns the defective portion of the Software Product within thirty (30) business days of RMA issue; otherwise, Licensor can invoice Licensee for replacement User License at current list price.

§ 11 Errors and Warranty

11.1 The Licensor provides the Software Product with no warranty and no guarantee, expect as set forth in section 12 below. Both the Licensee and Licensor recognize that there may exist errors, omissions, or discrepancies in any software product.

11.2 Licensor warrants the media on which the Software Product is located has no faults or defects in material or workmanship during the first nine (9) months of the license's effective date, but subject to section 10.

11.3 Licensor warrants that the Software Product is only operational on the hardware listed in the supplied informational content. Licensor warrants to the Licensee that the Licensor has title to the Software Product, or the Licensor is authorized by the owner of the Software Product to create a non-exclusive license with the Licensee.

11.4 Licensor warrants that the Software Product shall be free of any rightful claim of infringement of a United States patent, copyright, or trademark. However, this warranty expressly excludes any infringement arising from use by the Licensee or any third party of the Software Product in combination with items (hardware, software, or firmware) where infringement would not have occurred from normal use of the Software Product. This warranty shall not extend to any portion of the installation or to modifications; revisions or improvements made by the Licensee or a third party whether made with or without the assistance of the Licensor.

§ 12 Limitation of Liability and LIMITED WARRANTY

12.1 The Licensor's obligation and liability under Section 12 are expressly limited to the reimbursement to the Licensee by Licensor of resulting costs or damages to Licensee finally awarded (exclusive of losses, costs or damages resulting from loss) arising out of an infringement of any United States patent, copyright, or trademark.

Licensor's obligation hereunder is conditioned upon Licensor being notified promptly in writing, not less than thirty (30) business days from alleged harm, and given full and complete authority, information, and assistance (at Licensor's expense) for defense of same.

In addition, Licensor shall have the full discretion at any time to remove, replace, or modify the Software Product so it is non-infringing or to procure the right of the Licensee to continue to use the infringing Software Product or as a last resort, upon Return of the Software Product, refund to the Licensee the licensee fee paid.

12.2 The Licensor does not grant a license to a Licensee who distributes or uses in commerce this intangible Software Product for personal, family, or household purposes or applies this license in a tangible consumer product normally used for personal, family, or household purposes.

12.3 The licensee agrees the Software Product licensed under this Agreement is not a consumer product according to 15 USC section 2301, and the licensee agrees to use this licensed Software Product exclusively for commercial use and not as a consumer good used customarily by the ordinary person.

12.4 The Licensor shall not be responsible or liable for any damages suffered by Licensee or others resulting from use of the Software Product, including but not limited to, special, indirect, incidental or consequential damages arising out of or in connection with any errors in the Software Product or with the operation, use or performance of the Software Product.

Licensor's warranty is limited as set forth above in section 12, and the Software Product is provided "AS IS" WITH NO WARRANTIES WHATSOEVER, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND THE PARTIES EXPRESSLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ANY WARRANTY OTHERWISE ARISING OUT OF ANY PROPOSAL, SPECIFICATION, OR SAMPLE.

In particular, the Licensor shall not be liable for data loss or its consequential damages, and the Licensor does not assume liability for the fitness of the Software Product for the task(s) planned by the Licensees.

§ 13 Liquidation of Damages

13.1 A Licensee who provides a third party with any portion of the Software Product, without the written consent of the Licensor or under the terms of this Agreement, the Licensor may liquidate its damages in an amount not to exceed ten (10) times the invoiced amount for each occurrence, or an amount reasonable in light of the actual or anticipated difficulties of proving the loss to the Licensor.

13.2 Licensee electing to prove actual damages because of unauthorized third party use of the Licensee's license shall indemnify the Licensor for intellectual property or any other claims whatsoever arising from said third party use and attorney fees and costs.

§ 14 Duty of proper care

14.1 The Licensee shall keep the Software Program secure against unauthorized access by third parties, and Licensee shall instruct his/her employees, agents, subcontractors, and assigns to comply with this agreement, and the Intellectual Property associated with the Software Product.

§ 15 Governing Law and Forum Selection Clause

15.1 This Agreement shall be construed and controlled by laws of the Commonwealth of Massachusetts without reference to conflict of law principles.

15.2 Any part of this Agreement may be severable, if found to violate a law by a court of competent jurisdiction in Massachusetts

15.3 The parties agree that all disputes arising in any way out of this Agreement, regarding its subject matter, shall be heard exclusively in, the State and Federal Courts of Massachusetts.

15.4 The application of the United Nations Convention of Contracts for the International Sale of Goods is expressly excluded.

§ 16 Licensor's Intellectual Property

This product and the factory automation equipment that connects to it are covered by one or more patents:
