

How to create an account on mySchneider.

1. Open a web browser (preferably Google Chrome) and go to: <https://www.se.com/>
2. As soon as the website is open, click Login/Register then Create account:

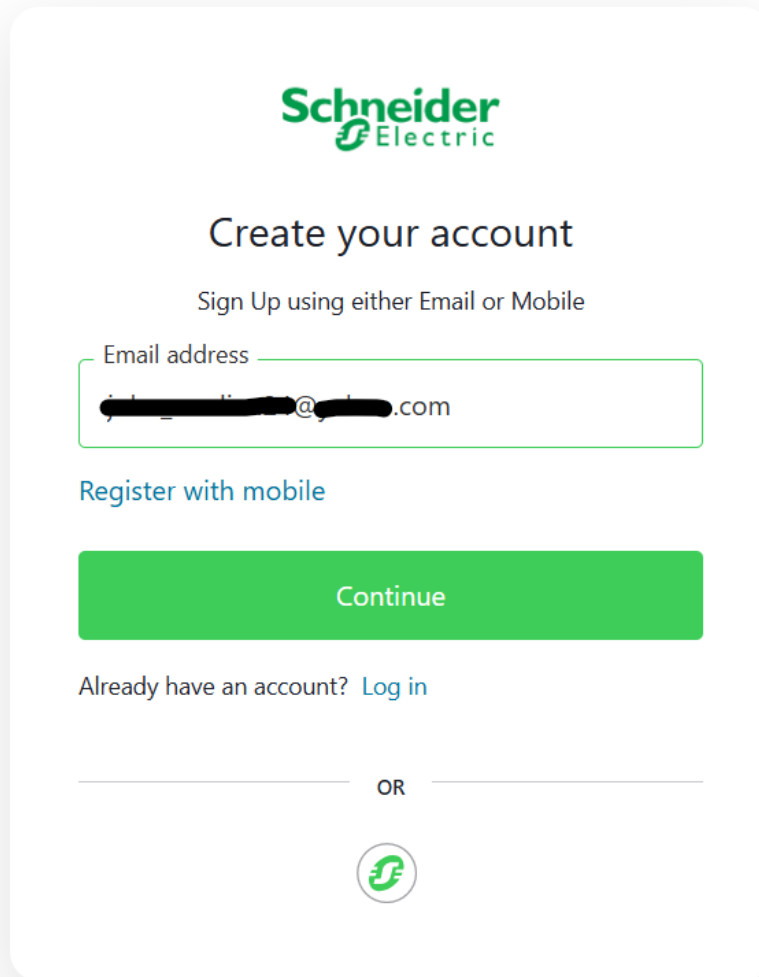

The screenshot displays the Schneider Electric website interface. At the top, the navigation bar includes 'Philippines', 'Our Brands', 'My Products', 'My Documents', and 'Login/Register' (highlighted with a yellow circle). Below the navigation bar is a search bar and a main banner with the text 'We are your energy technology partner' and 'We electrify, automate and digitalize every industry, business and home, driving efficiency and sustainability for all.' The banner also features 'Our Purpose' and 'Be an Impact Maker' buttons. A 'Ranked #1' badge is visible on the right side of the banner. Below the banner, there is a section for 'Schneider Electric Green Impact Gap' and 'Fast Asia'. The 'Login/Register' dropdown menu is open, showing options for 'My Products', 'My Documents', and 'Login/Register'. The 'Login/Register' dropdown menu is open, displaying the following content:

Below the list are two buttons: 'Log in' (green) and 'Create account' (blue, highlighted with a yellow circle). A link 'Read more benefits >' is also present.

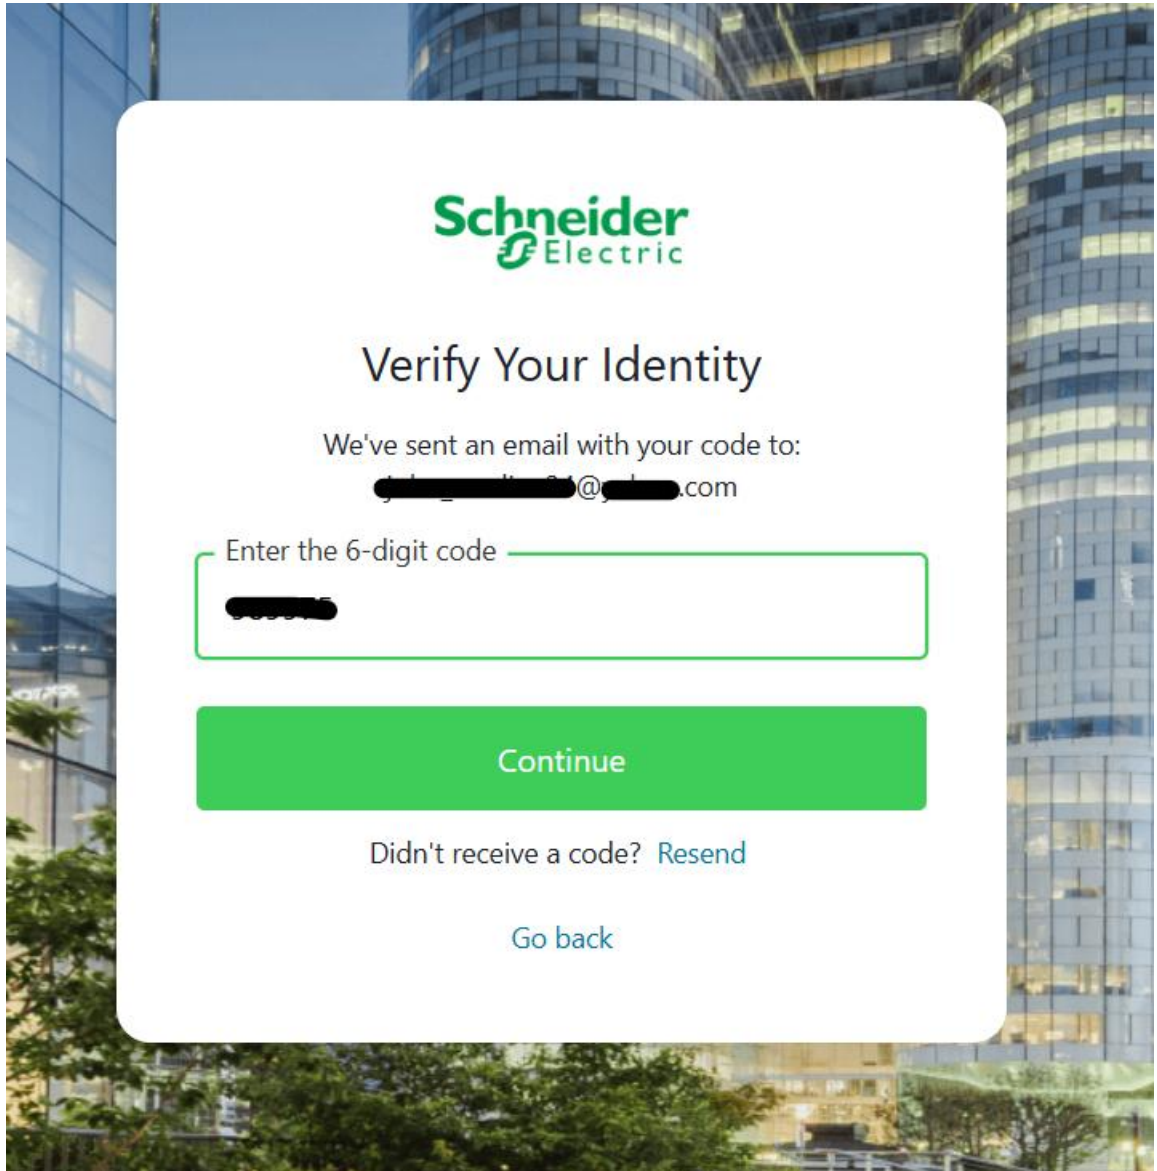

3. It should redirect you to a new tab/window that looks like this below. Please put in the email address where you would like to create an account. After typing your chosen email address, click Continue.

The image shows a mobile app screen for creating a Schneider Electric account. At the top is the Schneider Electric logo. Below it is the heading "Create your account" and the subtext "Sign Up using either Email or Mobile". There is a text input field labeled "Email address" containing a redacted email address. Below the input field is a blue link "Register with mobile". A large green button labeled "Continue" is positioned below the link. At the bottom, there is a link "Already have an account? Log in" and a horizontal separator line with "OR" in the center, followed by the Schneider Electric logo icon.

4. You will be prompted to enter a 6-digit code. Please check either your inbox or your spam or junk folder on the email. Note: If in case you are using a corporate email address, it would be to put all emails from Schneider Electric (including automated emails) to your company whitelist. For this one, coordinate with your local IT

department. Once you have received the code, enter it then click Continue.

5. The next page will then ask for you to enter your information. Fill up the necessary details. You will be asked Yes or No to Sign up for electronic communications. Once all

information have been filed up on your end, click Register.
